"A camera don't lie so let's review the camera and let it speak for it self. (RFA #10) Here are the facts and the truth that the Defendant Officer R. Stroy Civil Action Filed September. 13, 2017 should have done to avoid this incident but didn't he knew what inmate Nyron Thomas had in mind to do to me this is why the Defendant Officer R. Stroy

did what he wanted to happen to me.  
because I knew too much about how the  
Phones and the Drugs was coming into the  
Facility of the (Fulton County Jail).

I, Plaintiff Pray that you find out where  
Nyron Thomas confined at what facility and  
have him in Court as well let's go to trial.  
And remember it's not about me it's about  
the Defendant Officer A. Stoy and my safety  
while I was confined inside that facility of  
the (Fulton County Jail.) Since May 01, 2014  
to Oct. 04, 2016 I have seen and heard how  
staff member's was affiliated with the gang  
member's also family member's who can  
get the items into the facility of jail that  
knew the inmates from the streets and by  
phone. Of total of days while confined in the  
(Fulton Co. Jail) before my sentence 858 days.  
My statement will never change what is really  
happen behind closed doors you will never  
see the real truth in what a inmate really go  
through unless you see it for your self in  
house review investigation of (Fulton Co. Jail)  
the truth shall be told.
